STATE
FOR AMBASSADOR FROM SECRETARY

1. Please deliver the following message to Mrs. Mitrione at the earliest appropriate time:

2. QUOTE My wife and I have just learned of the murder of your husband. We realize that no words of comfort on our part can console you and your children in your grief over his loss. But we do wish you to know that we share that grief deeply. As we mourn your husband's death all of us can also reflect with pride on his life of achievement, based on an unswerving commitment of service ^{to} his fellow man - both in the United States and while serving his country abroad. We know that your husband's memory will prove a source of future strength to you and your family. For us, his former colleagues, he will remain an inspiration.

QUOTE We extend our profound sympathy to you and your children. Sincerely, William P. Rogers END QUOTE. END
